

# FOUNDATIONS: LIVE ON MISSION

## *WORK IT OUT*

### LESSON 6: HOW DO I MAKE DISCIPLES?

#### QUESTIONS

If you are working out these questions on your own, consider writing down or journaling your thoughts and answers to these questions. If you are working out these questions in a group, share specific and real examples of your experiences.

1. Read 2 Timothy 2:2 - Do you feel qualified to 'teach others?' Why or why not?
2. Who has mentored you in life and faith? What impact have they had on you?
3. Who are you currently in community with? How have you seen each other become more like Jesus, or not? Who could you invite into a community of Jesus followers?
4. How have you encouraged others to follow Jesus?
5. Who in your group do you see potential to lead others? What next step could your group take in making disciples?

#### NEXT STEPS

**Individuals:** Think about someone who has discipled you in your own life. Who is that person? How did they disciple you? What did you appreciate about their influence in your life? Write down your observations and then spend time in prayer asking God to help you notice someone in your life that you might have an opportunity to disciple.

**Groups (2+):** Identify someone in your life you might have an opportunity to disciple. Spend some time in prayer asking God who that individual is and what it would look like for you to take next steps of discipleship. Is this person someone you already know? Is this person someone you are noticing in your daily routine? Pray for continued opportunities of relationship.
